For the general public a group of 8 might be tough to find. You could try ticket exchange. But remember their prices are in \$US. We make the regular FP price available to you and seven friends – unless you are a member. Then the deeper FPC discount is available to you. For this offer members can reserve our eight tickets with payment of the FPC discounted rate.

Only our eight tickets are available. They are Section 335, Rows 27 and 28, Seats 28-31. Four seats each in two rows.

For the additional cost we will also arrange for a limo to pick the eight of you up and take you down to the game for some tailgating.
